

# Are there any fiber optic cable companies in Norway

## AI Overview

Norway hosts several specialized fiber optic cable manufacturers, including Foss Fiber, Fiberworks, Smartoptics, and T&G Elektro, serving telecom, industrial, and defense sectors.

### Key Manufacturers

- **Foss Fiber:** Established in 1987, Foss Fiber is one of Norway's largest fiber optic solution providers. They manufacture standard and custom fiber optic cables, plug-and-play solutions, and high-performance infrastructure for telecom, defense, offshore, and industrial applications. Foss operates factories in Norway and Slovakia, producing optical connectors, cables, and data racks, emphasizing in-house manufacturing and quality control .
- **Fiberworks:** Specializes in a wide range of fiber optic products, including development, delivery, and testing of fiber optic solutions. They focus on high-quality, cost-effective offerings for various network needs .
- **Smartoptics:** Provides innovative optical networking solutions, including optical transceivers and scalable fiber optic systems. Their products are designed for flexibility and cost efficiency in telecom networks .
- **T&G Elektro:** Offers custom connection solutions and manufactures fiber optic cables for sectors such as defense, aerospace, telecom, and energy. They operate multiple production facilities in Norway .
