

Are there cable tray factories in West Asia

AI Overview

While West Asia hosts limited local cable tray manufacturing, many Asian factories, especially in China and India, supply cable trays to the region.

Overview

West Asia, including countries like Saudi Arabia, UAE, Qatar, and Oman, has a growing demand for cable management systems due to infrastructure, energy, and industrial projects. Although local production is limited, major cable tray manufacturers in Asia export extensively to West Asia, ensuring availability of high-quality products .

Key Asian Manufacturers Supplying West Asia

- Shandong Tianhong Electric Power Technology Co., Ltd. (China): Specializes in perforated trays, cable ladders, wire mesh trays, and strut channels. Tianhong exports to over 30 countries, including Middle Eastern markets, providing customized solutions for industrial and commercial projects .
- Brilltech Engineers Pvt. Ltd. (India): Produces galvanized, stainless steel, and fiberglass cable trays. Their products are exported to Africa and Middle Eastern countries, including West Asia, offering ladder, perforated, and wire mesh trays .
- Other Asian manufacturers: Companies in Indonesia, Malaysia, and Vietnam also produce durable cable trays suitable for export to West Asia, meeting international standards for industrial and construction applications .
