

China-Africa Outdoor Optical Cable Manufacturer Inquiry

AI Overview

Leading Chinese manufacturers like CCOFC, FCJ OPTO TECH, and ShengWei supply high-quality outdoor optical cables suitable for African telecom and infrastructure projects.

Key Chinese Manufacturers

1. Guangdong Changcheng Communication Technologies (CCOFC) Founded in 2014, CCOFC specializes in ADSS, Figure-8, and ribbon optical fiber cables for outdoor use, along with integrated data center cabling solutions . Their products are widely used in telecommunications, smart city infrastructure, and digital government projects. CCOFC holds over 100 intellectual property assets and collaborates with state-owned enterprises, making it a reliable partner for large-scale African deployments. 2. FCJ OPTO TECH Established in 1985, FCJ OPTO TECH has over 30 years of experience in optical fibers, preforms, and fiber optic cables . They are a national high-tech enterprise and a designated supplier for China's telecom operators. Their products include FTTH cables and passive optical components, offering ISO 9001-certified quality and global service support, suitable for African network expansion. 3. ShengWei ShengWei, founded in 2006, manufactures a full range of outdoor armored and central tube optical cables such as GYXTW, GYTA, GYTS, and GYTA53 . Their cables are designed for long-distance communication, FTTx backhaul, and smart city infrastructure, featuring low attenuation, high tensile strength, and rugged HDPE sheaths. ShengWei provides OEM/ODM support and global certifications (CE/FCC/RoHS), making them suitable for African telecom projects.
