

Dongya Construction Site Distribution Box Source Manufacturer

AI Overview

Dongya manufactures and supplies high-quality construction site distribution boxes with bulk availability, multiple IP ratings, and customizable options.

Overview

Dongya is a recognized manufacturer and supplier of construction site distribution boxes, offering products suitable for industrial and construction applications. Their distribution boxes are designed to provide safe and reliable power distribution on construction sites, with features such as circuit breaker integration, weatherproof enclosures, and high durability .

Product Specifications

- Material: ABS, PE, or plastic variants depending on the model .
- Color: Typically white, with custom color options available .
- IP Ratings: Options include IP30, IP44, and IP55, providing protection against dust and water ingress .
- Voltage & Input: Supports three-phase systems with neutral (N) and ground (PE), commonly 380V with 63A 5-pin plugs .
- Capacity: Models range from small single-phase boxes to multi-channel stage power distribution boxes .
- Packaging: Standard export packaging, typically 1 piece per carton or bulk cartons of 10-200 pieces .
