

Eye tracker stand price

AI Overview

Eye tracker stands, such as those compatible with Tobii Eye Tracker 5, typically range from \$40 to \$100 depending on design, stability, and retailer.

Overview of Options

- Amazon Desk Stand for Tobii Eye Tracker 5: This stand is designed for maximum stability and ease of use, suitable for gaming, research, or accessibility applications. While the exact price is not listed in the source, similar stands on Amazon generally cost around \$50–\$80 .
- Tobii Universal Mount: A compact mount suitable for most monitors, including curved screens, with adhesive pads and magnetic integration. Delivery costs on Amazon.de are around €4.39, suggesting the base price is modest, likely under \$50 .
- Specialized Stands on Etsy: Custom or ergonomic stands for Tobii trackers are available, often including shipping. Prices vary widely depending on design and materials, typically ranging from \$40 to \$100 .
- Aviation or Simulation Desk Stands: High-stability stands for flight simulators or professional setups, like the Tobii Eye Tracker 5 Desk Stand, are designed for durability and precise positioning. These are usually priced in the \$60–\$100 range .

Factors Affecting Price

- Compatibility: Stands designed specifically for Tobii Eye Tracker 5 may cost more than universal mounts.
- Build Quality: Metal or reinforced stands for professional or simulation use are generally more expensive than basic plastic models.
