

Fiber optic cable manufacturer direct sales of wires and cables

AI Overview

Leading fiber optic cable manufacturers offer direct sales of a wide range of indoor, outdoor, FTTH, and specialized optical cables for telecom and data infrastructure.

Key Manufacturers and Offerings

Tratos Group (Italy) is a major European manufacturer with over 50 years of experience. They provide fiber optic cables for industrial, residential, and subsea applications, including fire-resistant, low smoke zero halogen, and hybrid cables. Their FTTH solutions allow flexible installation inside buildings, and their Microcable and SkyWrap ranges support high-density and aerial deployments. Tratos also offers direct burial and power-integrated hybrid cables for specialized projects .

WEINERT Industries AG (Germany) specializes in singlemode, multimode, and radiation-hard fibers, as well as POF and hybrid cables. They provide custom fiber bundles and assemblies with full vertical integration, enabling tailored solutions for telecom, data centers, and industrial applications .

APAR (India) manufactures high-capacity fiber optic cables with low lead times, including unitube, multi-tube, breakout, tight-buffered, and ribbon cables. Their products support duct, direct-buried, and aerial installations, and they maintain an ILAC MRA accredited testing facility for quality assurance .
