

French company selling optical fiber cables

AI Overview

France hosts several reputable wholesale manufacturers and distributors of optical fiber cables, including Centre Fibre Optique, A&G Technologies, IDIL Fibres Optiques, and OBS Fiber.

Key Manufacturers and Distributors

Centre Fibre Optique specializes in deploying optical fiber networks, particularly FTTH (Fiber to the Home), and provides high-quality fiber optic cables and related services in the Centre Val-de-Loire region, catering to both professional and residential clients . A&G Technologies, established in 2003, manufactures and supplies a wide range of network cables, including fiber optic cables, along with network peripherals, testers, and rack accessories. They focus on quality and reliability for global network markets . IDIL Fibres Optiques is a Breton SME with expertise in fiber optic and laser technologies. They handle the design, development, manufacturing, and distribution of optical fibers and related components, making them a leading French supplier . OBS Fiber specializes in distributing fiber optic materials and components, offering custom solutions and complete cable assemblies. They are recognized for providing innovative fiber products to meet diverse project requirements . Other notable companies include LUXERI, which manufactures custom fiber optic lighting solutions and optical cables, and WAVETEL, which produces testing and measurement equipment for fiber networks .

Considerations for Wholesale Procurement
