

How much does it cost to wholesale cable trays in Tuvalu

AI Overview

Wholesale cable trays in Tuvalu typically range from \$2 to \$50 per meter depending on material, type, and order volume.

Pricing Overview

The cost of cable trays varies significantly based on material, design, and finish. For bulk orders in Tuvalu:

- **Aluminum trays:** Lightweight, corrosion-resistant, and rust-proof, generally cost \$20–\$50 per meter. Aluminum alloys like the 3000, 5000, and 7000 series are commonly used for industrial applications.
- **Steel trays:** Galvanized steel is the most common, balancing durability and cost, typically \$10–\$30 per meter. Stainless steel is more expensive but offers superior corrosion resistance.
- **Plastic trays:** Budget-friendly, suitable for light loads, usually at the lower end of the price spectrum, around \$2–\$15 per meter.

Factors Affecting Wholesale Costs

- **Material and Alloy:** Aluminum-manganese (3000 series), aluminum-magnesium (5000 series), and aluminum-zinc (7000 series) alloys differ in strength, corrosion resistance, and price.
- **Tray Type:** Ladder trays are more expensive due to higher load capacity, while perforated or wire mesh trays are cheaper.
