

Lawsuit filed over telecommunications fiber optic cable passing through residential building

Overview

SAN ANTONIO — A San Antonio family is suing AT&T and two of its contractors after they say a dangerously low-hanging fiber optic cable killed a wife and mother outside her home — and that it could happen again if changes aren't made., 2025 NY Slip Op 06843 (2d Dept Dec. 10, 2025), the Appellate Division, Second Department, affirmed summary judgment dismissing a homeowner's challenge to a telecommunications utility pole and fiber-optic facilities installed in her backyard. The decision clarifies: That an. Plaintiffs originally filed this action in Multnomah County Circuit Court, and Defendants PacifiCorp and Verizon Communications, Inc., removed the case to this Court, invoking this Court's jurisdiction under the Class Action Fairness Act ("CAFA"), 28 U. In a lawsuit (PDF via Ars Technica) filed in the New York State Supreme Court on Monday, the city said that Verizon's Fios rollout has only reached. Fiber optic cable for high-speed internet is getting installed all over North Texas. Fiber optic cable for high-speed internet.
