

# Lc fiber optic connector component manufacturer

## Overview

Explore Amphenol FOP's LC fiber optic connectors - sleek, high-density, duplex options with advanced ferrule technology for telecom, datacom, and FTTx performance. Our LC connectors are engineered for reliability and quick connections. With accelerated growth demanding greater bandwidth in less physical space, LC connectors have been established as the connector of choice. TE's fiber optic connectors accommodate 10G Ethernet — with the capacity to handle next-generation 40G and 100G when needed — without the severe distance limitations of copper cable. Fiber optic cable assemblies are available including single mode fiber, multimode, duplex and. Pricing (USD) Filter the results in the table by unit price based on your quantity. A tariff of 8% may be applied if shipping to the United States.
