

Mexican Points

AI Overview

"Mexican points" can refer to sports league points, tennis ranking points, or hotel loyalty points in Mexico.

Liga MX Soccer Points

In Mexican professional soccer, Liga MX teams earn points based on match results: 3 points for a win, 1 point for a draw, and 0 points for a loss. The 2025-26 Liga MX standings track each team's total points, wins, draws, and losses, which determine playoff qualification and overall ranking in the league. Fans can view real-time updates on platforms like FOX Sports and ESPN to see the latest points for their favorite teams.

ATP Mexican Open Ranking Points

In tennis, the ATP Mexican Open in Acapulco is an ATP 500 event. Players earn ranking points based on their performance: the champion receives 500 points, the finalist 330 points, semi-finalists 200 points, quarter-finalists 100 points, and second-round participants 50 points. No points are awarded for first-round exits. These points contribute to a player's global ATP ranking.

Hotel Loyalty Points in Mexico

For travelers, "Mexican points" can also refer to hotel loyalty program points redeemable at resorts in Mexico. Popular programs include World of Hyatt, Hilton Honors, and Marriott Bonvoy, which allow points to book stays at high-value properties such as The Cape in Los Cabos, Waldorf Astoria Los Cabos Pedregal, and St. Regis Punta Mita. Redemption values vary by program and property, with Hyatt, Hilton, and Marriott generally offering the best value for points in Mexico.
