

Nordic Molded Cable Tray Company

Overview

We develop, manufacture and sell a complete cable management system based on wire trays under the X-Tray brand. Hilding Group consists of the three companies Nordic Wire Tray, Hiltec and Hilcon. We have wire trays, data racks and all accessories you need to install your cables in an easy, fast and high qualitative way. We help you! We understand that every project has unique requirements. Our cable trays are produced in fit for purpose materials like stainless steel, galvanized, aluminium and fibreglass (FRP/GRP) composites to suit any project type both offshore and onshore. We share the vision of making Swedish industry competitive through automation, safety, efficient. With our cable trays with integrated ends, Trayco® is constantly looking for solutions that increase our customers' competitiveness due to their capacity, light weight (L) or ease of assembly. The unique shape of our cable trays results in up to 50% extra capacity in specific applications compared. Cable tray is a system used to safely carry and protect electrical cables along pathways planned specifically for building and facility installations.
