

Nordic cable tray brands

AI Overview

Nordic Wire Tray (NWT/X-Tray) and Meka are leading Nordic manufacturers of high-quality cable trays and cable management systems.

Key Nordic Manufacturers

1. Nordic Wire Tray (NWT/X-Tray) Nordic Wire Tray, formerly known as X-Tray, specializes in wire trays, cable ladders, and complete cable management systems. They offer a wide range of products with various surface treatments, including stainless steel options, and provide customized solutions tailored to project-specific requirements. Their systems are designed for easy installation, with fewer fasteners and adaptable wire trays that can be cut, bent, and shaped on-site. NWT emphasizes high quality, flexibility, and fast delivery, making it suitable for demanding industrial environments . 2. Meka Meka is a Nordic manufacturer with over 40 years of experience in cable support systems. Their product range includes galvanized steel and acid-proof steel cable ladders, wire mesh trays, aluminum-frame systems, and lighting tracks. Meka's KS80 cable ladders are designed for high load capacities and wide spans, suitable for industries such as pulp and paper, wood, food, and outdoor installations. They focus on durability, protection against dust and humidity, and long-term reliability . 3. Other Nordic FRP Cable Tray Manufacturers There are additional Nordic manufacturers specializing in FRP (fiberglass reinforced plastic) cable trays and other specialized cable management solutions. These companies often provide customized and industrial-grade products for various sectors, including construction, energy, and industrial automation .

Considerations for Choosing a Nordic Cable Tray Manufacturer
