

Nordic distribution box enclosure manufacturer supplies

AI Overview

Fibox and Nordic Fiberglass are leading suppliers of Nordic-style distribution box enclosures, offering durable, high-quality solutions for electrical and power distribution applications.

Fibox – Finnish Manufacturer

Fibox, headquartered in Finland since 1966, is a global leader in enclosure solutions with strong Nordic design principles . They specialize in:

- Plastic and aluminum enclosures for power distribution, control systems, and electronics.
- Modular enclosures for low-voltage panels, pioneering injection-molded polycarbonate designs.
- Custom housings and fully-tested electrical and automation systems, including EV charging and automotive heating solutions.
- Sustainability-focused products designed for long-term durability and energy efficiency. Fibox emphasizes innovation, technical leadership, and adherence to Nordic design simplicity, making it suitable for industrial and commercial applications.

Nordic Fiberglass – US-Based Supplier

Nordic Fiberglass, located in Warren, Minnesota, supplies a wide range of equipment box pads and cabinets . Key offerings include:
