

Nordic power distribution cabinet and distribution box manufacturer

Overview

Nordic Fiberglass manufactures box pads for pad mount transformers, switchgear, and other pad mount equipment, sectionalizing cabinets, secondary pedestals, ground sleeves, hand holes and hill holders. In order to give design engineers worldwide timely and reliable access to our full portfolio, we take pride in our choice of distribution partners. Find your nearest Nordic Semi distributor and discover those around the globe. They are designed for outdoor usage and verified to withstand external mechanical impacts according to IEC 61439, arctic climate. Our expert services cover pre-design, project management, installations, as well as maintenance and spare parts services — ensuring the long service life of your systems. We offer products from several. Nav-Tech is a leading low voltage electrical manufacturing company based in New York. We engineer UL Listed metering enclosures, CT cabinets, switchboards, and tap boxes approved by Con Edison, PSEG/NY, Orange & Rockland and other utilities across the country. Working in stainless steel, aluminum.
