

Pakistan Circuit Distribution Box Manufacturer

AI Overview

Several reputable manufacturers and suppliers in Pakistan provide high-quality distribution boxes for residential, commercial, and industrial applications.

Key Manufacturers and Suppliers

- C Power C Power offers a range of distribution boxes including CNC Electric HA Waterproof DB Boxes and YCX series boxes. Their products are designed for durability, water and dust resistance, and compliance with IEC-493-1 standards, suitable for homes, offices, factories, and shopping centers in Pakistan .
- Alfazal Industry Alfazal Industry manufactures indoor and outdoor electrical panels and distribution boxes in Karachi, Lahore, and Islamabad. They provide LT panels, motor control panels, LV panels, and solar combiner panels. Their distribution boxes incorporate MCBs, RCCBs, MCCBs, and isolators for complete electrical protection .
- H&B Engineering H&B Engineering specializes in custom-made electric panels and distribution boxes. They offer Main Distribution Boards (MDB), Sub Main Distribution Boards (SMDB), Final Distribution Boards (FDB), junction boxes, and control boxes. Their products are tailored for safe and efficient power distribution across residential, commercial, and industrial sectors .
- PowerHouse Express PowerHouse Express supplies a wide range of distribution boxes, including solar distribution boxes, consumer boxes, and metal enclosures. They feature brands like Himel and Clopal, offering solutions for small residential setups to large industrial installations. Their products are known for durability, affordability, and compliance with safety standards .
