

Portugal Overseas Warehouse Fiber Optic Cable Junction Box 12 Cores

Overview

This ftth box terminates up to 2 fiber optic cables, offers space for splitters and up to 12 fusions, allocates 8 pcs of SC adapters with 1x8 PLC splitter module and working under both indoor and outdoor environments. It is a perfect cost-effective solution-provider in the. This 12 port fiber access terminal box is designed to connect feeder cables to subscriber drop cables for FTTH last-mile fiber connectivity. The 12 Core Fiber Optic Distribution Box is meticulously crafted using high-quality ABS+ material, guaranteeing exceptional protection and achieving an impressive IP 65 protection level. The material of the fiber. Grandway's fiber optic closure provides a high density wall mounted or pole mounted solution for next generation networks, which aims to provide and manage fiber splitters in a limited space. It is designed for FTTH (Fiber to the Home) or FTTB (Fiber to the Building) with protective housing for all. The 12 Port Fiber Distribution Box can connect up to 2 optical cables, providing space for distributors and 12 fuses.
