

Price of Custom-Made Secondary Distribution Boxes in West Asia

AI Overview

Custom-made secondary distribution boxes in West Asia typically range from USD 150 to USD 600 per unit, depending on specifications, materials, and order volume.

Pricing Overview

The cost of custom secondary distribution boxes varies significantly based on size, material, IP rating, and customization requirements. Standard factors affecting price include:

- **Material:** Steel, stainless steel, or aluminum enclosures increase durability and cost. Powder-coated or corrosion-resistant finishes add to the price.
- **Customization:** Features like busbar fitment, top cable entry, modular compartments, and OEM branding influence pricing. More complex designs or bespoke layouts increase costs ().
- **Certifications:** Compliance with UL, CE, TUV, or CSA standards can raise the unit price due to testing and quality assurance ().
- **Order Volume:** Bulk orders reduce per-unit cost, while small or one-off orders are more expensive.

Estimated Price Range

Based on manufacturing trends in Asia and typical OEM pricing:

- Small to medium boxes (up to 20 modules): USD 150-300 per unit
