

Price of large-span cable trays in Pakistan

Overview

Cable tray price in Pakistan typically starts from PKR 450 per meter for light-duty perforated trays and can go up to PKR 6,500+ per meter for heavy-duty hot-dip galvanized or stainless steel ladder cable trays. The final price depends on tray type, material thickness (gauge), width, load capacity. All-in-One Connectivity: Features four different ports for seamless conversion, allowing charging and data transfer between various devices, including phones, tablets, and laptops. We design and supply durable cable management solutions that ensure safety, organization, and long term performance. This guide will explore cable tray types, and key advantages of Tech&Tray's products, and offer helpful installation tips.
