

Price of outdoor electrical distribution box cover

AI Overview

Outdoor electrical distribution box covers typically range from \$10 to \$50 depending on size, material, and brand.

Price Range and Options

- Amazon offers a variety of outdoor electrical box covers, with prices generally starting around \$10 for basic plastic covers and going up to \$40-\$50 for larger, heavy-duty, weather-resistant models. Some products include sustainability certifications and are made from flame-retardant, shock-resistant thermoplastics.
- eBay provides a wide selection of covers, often including top brands and exclusive offers, with prices similar to Amazon, typically \$15-\$45, depending on condition (new or used) and seller.
- Walmart lists outdoor electrical outlet box covers with prices starting around \$12, with options for bulk purchases or multipacks that can reduce the per-unit cost.

Factors Affecting Price

- Material: Plastic covers are cheaper, while metal or reinforced thermoplastic covers are more expensive.
- Size and Type: Larger distribution boxes or covers designed for multiple outlets cost more.
- Weather Resistance: Covers rated for outdoor exposure, UV protection, or waterproofing are priced higher.
