

Price quote for a 24-fiber 4-electrical switch

Overview

These switches typically range from \$1,500 to \$5,000, depending on specifications and brand quality. 24 port Fiber Optic SFP Managed Switch allows you finish fiber connectivity that is with different bandwidth requirements conveniently and cost savings. A standard product features power 10G uplink speed, easy installation, high security, flexibility of selecting SFP modules, which gives ease of. A 24-port fiber switch is a high-performance networking device designed to facilitate fast, reliable data transmission across enterprise-grade networks. The EX2300-24P is. FortiSwitch-424E-Fiber Layer 2/3 FortiGate switch controller compatible switch with 24 x GE SFP ports, 4 x 10 GE SFP+ uplinks Click here to jump to more pricing! The Fortinet FortiSwitch-424E-Fiber is a Layer 2/3 switch compatible with FortiGate controllers, equipped with 24 Gigabit Ethernet SFP. The 24 port fiber switch price represents a significant investment in network infrastructure, offering enterprise-level connectivity solutions at competitive market rates.
