

Recommended manufacturers of fiberglass cable trays in Portugal

AI Overview

EFG Composites and MP Husky are leading manufacturers of fiberglass cable trays in Portugal, offering durable, corrosion-resistant, and fire-retardant solutions for industrial applications.

EFG Composites

EFG Composites specializes in fiberglass cable trays and ladders designed for critical and corrosive environments. Their products are made from pultruded fiberglass sections with polyester or vinylester resin systems, incorporating UV stabilizers and surfacing veils for enhanced corrosion resistance. They offer ladder and perforated types, along with a wide range of fittings such as bends, tees, reducers, and coupler plates. EFG's trays are suitable for power plants, refineries, paper mills, and laboratories, providing high durability and lower lifecycle costs. Standard tray thicknesses range from 1.2 mm to 3.0 mm, with widths from 50 mm to 1000 mm .

MP Husky

MP Husky provides fiberglass cable tray systems with a high strength-to-weight ratio, making them lighter than steel but equally strong. Their trays are non-conductive, non-magnetic, and corrosion-resistant, ideal for offshore, industrial, and laboratory environments. They use pultrusion technology and offer trays in polyester and vinylester resins, meeting ASTM E-84 Class 1 flame rating and self-extinguishing standards. MP Husky trays are designed for easy installation, reduced transportation costs, and long-term durability, with surface veils for UV protection and superior corrosion resistance .
