

# Sales and wholesale of distribution boxes

## AI Overview

Distribution boxes are available for wholesale purchase from manufacturers and suppliers worldwide, offering a range of types, certifications, and customization options for industrial, residential, and renewable energy applications.

### Wholesale Suppliers and Manufacturers

Several companies specialize in the production and wholesale of distribution boxes:

- GEYA offers high-quality distribution boxes, miniature circuit breakers, and smart electricity meters. Their products are certified by UL, CSA, TUV, and CE, and are suitable for residential solar power systems up to 3kW. GEYA provides customization options, IP65 protection, and durable ABS construction for flame retardancy and impact resistance .
- Global Sources lists over 50 manufacturers offering factory-direct wholesale distribution boxes with fast shipping and competitive pricing, making it a convenient platform for bulk purchases .
- DirectIndustry features a wide range of electrical enclosures, including modular boxes, steel and plastic enclosures, and IP-rated solutions for industrial and public distribution applications. Brands like RITTAL, Amphenol, and Cahors provide enclosures with features such as heat dissipation, EMC shielding, and multiple mounting levels .
- Monarch Electric supplies electrical products and distribution boxes in the NJ and NY regions, catering to contractors and professionals with local support and expert service .
