

Suriname Mobile Fiber Optic Router Account

AI Overview

You can set up a mobile fiber optic router account in Suriname through providers like Telesur or Digicel, each offering fiber plans, mobile data options, and APN configuration for high-speed connectivity.

Providers and Plans

Telesur is Suriname's largest telecom provider, offering fiber internet plans with speeds of 50/50, 100/100, and 200/200 Mbps, priced at SRD 1,472, SRD 2,061, and SRD 2,805 per month respectively . They also provide mobile data packages for prepaid users, ranging from 700 MB for SRD 10 to 7.1 GB for SRD 150, which can be used with mobile routers or MiFi devices . Telesur completed a national broadband rollout, ensuring urban areas have reliable fiber coverage . Digicel Suriname offers fiber-to-the-home services with installation typically completed within three to five business days. To sign up, you need to complete an order form through a Direct Sales Agent and provide an email address, proof of address, phone number, and valid identification (National ID, driver's license, or passport), . Digicel also provides mobile MiFi devices for home use and supports high-speed connectivity via their Deep Blue One subsea fiber system .

Account Setup

- Choose a provider (Telesur or Digicel) based on coverage and plan preferences.
- Submit required documents: identification, proof of address, and contact details.
