

Switch box distribution box cover

Overview

These covers fit and close existing boxes and covers to support electrical devices, such as switches or receptacles. Our products range includes simple flush-mounted switch boxes to surface-mounted boxes for indoor use, as well as high-end IP65 junction boxes for use in wet areas. Kopp also offers accessories such as spring covers, screws for switch boxes, and cavity wall switch boxes and plaster adjustment. The 6 way Cover is made from brand new PC material which makes box with beautiful and smooth appearance, stable performance and very good waterproof function. \$ {cardName} unavailable for quantities greater than \$ {maxQuantity}. We work hard to protect your security and privacy. Our payment security system encrypts your information during transmission. Several models, for instance, waterproof or weatherproof covers, provide extra protection against environmental conditions. Fire Resistance: Some advanced models are also designed to resist.
