

Syria-specific cable tray manufacturer

AI Overview

APV Group, Cable House, and Micro Sheet Crafts are among the prominent cable tray manufacturers in Syria.

APV Group

Founded in 1999 in Damascus, APV Group specializes in cable management systems, including metal cable trays, flexible electrical panels, and underfloor boxes. The company emphasizes high-quality manufacturing, customization, and adherence to international standards, aiming to compete with imported products while supporting local infrastructure growth. APV Group focuses on innovation, safety, and reliability, offering tailored solutions for various electrical installations .

Cable House

Cable House, established in 1983, is recognized for producing a wide range of cable trays, hose clamps, cable ties, and industrial connectors. The company serves both national and international markets, providing customized solutions with high durability and reliable performance. Cable House is known for its skilled workforce and commitment to customer satisfaction, making it a reputable choice for cable tray procurement in Syria .
