

Which company in the UAE is best for fiber optic cabling

AI Overview

NAFICON, HELUKABEL, and Arabian Fiber Optic Cable Manufacturing (AFOC) are among the top choices for fiber optic cabling in the UAE due to their quality, certifications, and extensive product range.

Leading Companies

1. NAFICON NAFICON Fiber Optic Manufacturing LLC in Dubai is a major supplier in the Middle East, with over 30 years of experience. The company is ISO9001 certified and specializes in fiber optic cables, patch cords, panels, and data center solutions. NAFICON is recognized for its high-quality products used in broadband, FTTH, and telecom networks, and it has a strong presence in both regional and international markets . 2. HELUKABEL Headquartered in Dubai World Central, HELUKABEL has been operating since 1978 and offers a wide portfolio of over 33,000 products, including fiber optic cables, coaxial cables, and video cables. The company emphasizes quality control, advanced production, and testing equipment, ensuring compliance with international standards. HELUKABEL serves a variety of applications, from industrial to telecom infrastructure . 3. Arabian Fiber Optic Cable Manufacturing (AFOC) AFOC, based in Abu Dhabi with a plant in Umm al-Quwain, focuses on innovative and customized fiber optic solutions. Their product range includes tight-buffered fibers, armored cables, and ADSS cables suitable for medium to long-span installations. AFOC is known for meeting high fire safety standards and providing flexible, lightweight cabling solutions for telecom infrastructure . 4. Other Notable Companies

- Norden: Offers fiber cables, patch cords, and network cabinets, with a focus on quality and technological innovation .
