

Wholesale of Fiber Optic Cable Fittings in Australia

AI Overview

Australia has a robust network of wholesale suppliers and manufacturers offering high-quality fiber optic cable fittings, pre-terminated cables, and integrated solutions for commercial and industrial applications.

Key Wholesale Suppliers

Fibersales provides a wide range of fiber optic cables, fittings, and networking products, including pre-terminated multimode and singlemode cables, mechanical and fusion splicing tools, and SFP transceivers. They offer fast shipping and expert customer support tailored to unique project requirements . Fibre Optic Systems (FOS), headquartered in Melbourne, is a leading manufacturer and distributor with over 25 years of experience. They specialize in rapid production of fiber optic and copper products, offering tailored solutions, high-volume assemblies, and fast turnaround from design to delivery . Anderson Corporation is an Australian-owned supplier providing indoor/outdoor cables, patch cables, pre-terminated assemblies, and FTTx solutions. Their offerings include splitters, PON power meters, OTDRs, and fusion splicers, making them a one-stop-shop for network integration and future-proofing . Diamond Optics focuses on high-performance optical connectivity solutions, manufacturing IEC Grade A equivalent fiber optic connectors locally in Australia. They provide integrated high-density optical distribution frames and carrier-grade solutions, ensuring low-loss, reliable performance for large-scale networks .
